Prepare Your Enterprise Systems for the Future!

Enterprise communications and collaboration professionals face daunting new challenges from all sides: Emerging technologies like the Cloud, Team Collaboration and Speech Technologies promise to disrupt the environment, while end users and customers continue to demand new tools and media.

And even as you keep pace with all these changes, you still must meet the responsibilities of today—implementing, integrating, and managing modern business-critical communications systems. One event provides you with the **in-depth, objective, vendor-neutral expertise** you need to get the job done: **Enterprise Connect Orlando.**

Join Us at this Leading
Enterprise Communications & Collaboration Event:
